

Cochrane Quality Blinds

“Our Quality Guarantee”

In home consultations

We offer complimentary in home consultations and are very knowledgeable with the products we carry as well the latest trends of window fashions. Your home will be professionally laser measured for your custom window treatments.

Our Installers

We work very close with our installers, our installers are certified Master Installers and have many years of experience and for this you can be assured your window treatments will be installed professionally and in a timely manor.

Our Aftercare Service Warranty

We believe in the quality of the products we sell, our aftercare warranty we provide our clients is above industry standards!

We will honor our manufactures warranty by backing it up with our aftercare service warranty; if any repairs are needed while your product is under warranty Cochrane Quality Blinds will resolve the issue if repairs are needed at no additional charges to you.
